EXHIBIT SPACE CONTRACTS

Complete the space contract for one or both shows and submit to NSAA with payment. **Exhibit space cannot be confirmed without payment.** Please note the Rules and Regulations included in this web section.

Space Assignments - All companies returning space contracts by **November 9, 2018** along with the appropriate forms and fees will be assigned space in accordance with the established priority points system. Contracts received after the deadline date will be assigned in the order that they are received on a first-come, first served, space-available basis.

NSAA's priority points system prioritizes all exhibit contracts received by the deadline by the number of points a NSAA Supplier member company has accumulated for that specific show (companies are awarded 2 points for exhibiting at each eastern regional show, and 2 points for exhibiting at each western regional show separately).

REGISTRATION INSTRUCTIONS

The Exhibit Space Contract allows for (4) company employee registrants. Companies registering more than (4) employees must also use the Additional Registrants Form. A check made payable to NSAA or credit card information for all exhibit and registration fees **MUST** accompany the Exhibit Space Contract and the Additional Registrants Form (if applicable). **Registrations will not be processed without payment.**

REGISTRATION POLICY

Only individuals who are registered and have an official NSAA convention badge may attend the Tradeshow and convention events. Registration includes entrance to the Tradeshow, all open sessions, workshops and cocktail parties.

Supplier members **may not** register those individuals who are not directly employed by their company, i.e. consultants, ski area representatives, etc. NSAA would appreciate supplier members respecting this policy. Those who violate this policy will be penalized.
