

Mountain Foundation FAQs FOR NSAA MEMBERS

Who can apply for a Mountain Foundation grant?

Any current employee of an NSAA member ski area, affiliated member or associated member in good standing may apply for a scholarship from the Mountain Foundation. All applicants are required to be endorsed by their manager or a member of ski area leadership.

Can supplier member employees apply?

Not at this time.

I've been to some of these NSAA events before. Can I apply?

Yes. However, the intent of these grants is to expose a broader group of ski area employees to available education opportunities. Preference will be given to applicants who have not attended and/or those who state a compelling reason why this event will help them with career advancement.

Does my ski area need to contribute to the Mountain Foundation in order for me or my employees to apply?

No – donations are not mandatory. However, all donations are tax-deductible; please consider making a personal investment in the future of the ski industry if you are able.
